

## CONTRACT

Quinns of Baltinglass contract to purchase all harvested cane from the Miscanthus plantations listed below for energy end uses from the first possible harvest in 2012 (or 2013) through to 2017 to fulfill the conditions of the BES Scheme. This contract is an appendix to a detailed contract between the grower and Quinns. A continuation of this purchase agreement will be offered from that date by mutual agreement between the grower and Quinns of Baltinglass.
